

Apartment for sale in Valencia's centre, Spain

The apartment is located in the centre of Valencia, which offers the opportunity of living nearer to the artistic and architectonic wealth of the beginning of the last century. An emblematic building with luxury houses and with all services and commodities, in the centre of Valencia.

For the exterior finishings, as well as for the interior ones, first quality materials have been used. The apartment has 3 bedrooms, 2 bathrooms, one of them with Whirl bath and the other with a shower with an hydro massage column, 1 toilet, a terrace, an equipped kitchen and a living-dining room.

Among its commodities it includes: acclimatisation system with heat pump and supply grilles in the living-dining room and bedrooms, and gas heating with radiators. Alarm, armoured entrance door and Video-door connected with the caretaker's office.
