

Newly built luxury and modern style villa in Moraira

Newly built luxury and modern style villa in Moraira (Costa Blanca, Alicante). It is located 4 km from Moraira and its beaches

The villa is projected in three heights:

In the **semi-basement** floor we find the parking area for two vehicles, a storage room, a toilet, a laundry room, a gym, a storage room and a utility room. On this floor there are internal stairs with access to the ground floor.

The **ground floor** is divided into an open living-dining room area and an open, fully equipped kitchen connected to a fantastic outdoor terrace with a pool, a barbecue and an outdoor bathroom. On this floor there is also a bedroom with bathroom en suite.

The **upper floor** is divided into three bedrooms, one of them en-suite with a separate dressing room and a spacious terrace and another bathroom shared by the other two bedrooms.

Buildings specifications:

- **Cooling:** the air conditioning system will be the AEROTERMIA system for hot-cold air and underfloor heating or radiators throughout the house and domestic hot water with accumulator.

- **Security:** the house will have security equipment that consists of a pre-installation of a security alarm, an anti-theft door at the entrance to the house and security glass and a video entry phone connected to the pedestrian entrance from the street.

- **Interior carpentry:** gray lacquered entrance door,
