Luxury villa with sea views in Moraira, Spain.
BEFORE: 595.000 € NOW: 398.000€!!!!

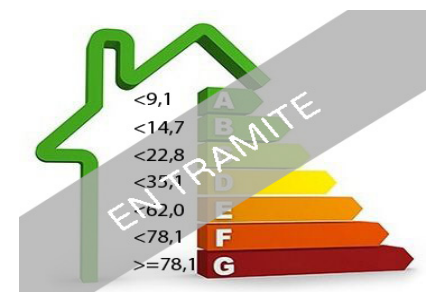

This villa is located in the area of Golden Valley in the municipal boundaries of Teulada-Moraira, with panoramic views of especial beauty to the sea, valley and mountains. It is a luxury villa recently built, very spacious and luminous.

It is divided in two floors and a semi-basement. The SEMI-BASEMENT FLOOR, to which you can access through the stairs or with the lift, it has a garage with a double up-and-over door to the exterior. The LOWER FLOOR has an access staircase to the upper floor and the semi-basement floor, a lift, an open kitchen with island, ceramic hob, air extractor, oven, microwave, refrigerator integrated in the furniture, and dishwasher, a gallery with washing room, a living room with a chimney, a dining room, toilet and a bedroom with a bathroom. You can also find a porch and a covered terrace. The UPPER FLOOR has 3 bedrooms: a main one with a bathroom, Jacuzzi, dressing room and an uncovered terrace, another marriage bedroom with a small bathroom and an uncovered terrace and a double bedroom with another bathroom.

Some of the commodities of this house are that it has under-floor heating and a lift from the semi-basement floor to the upper floor.

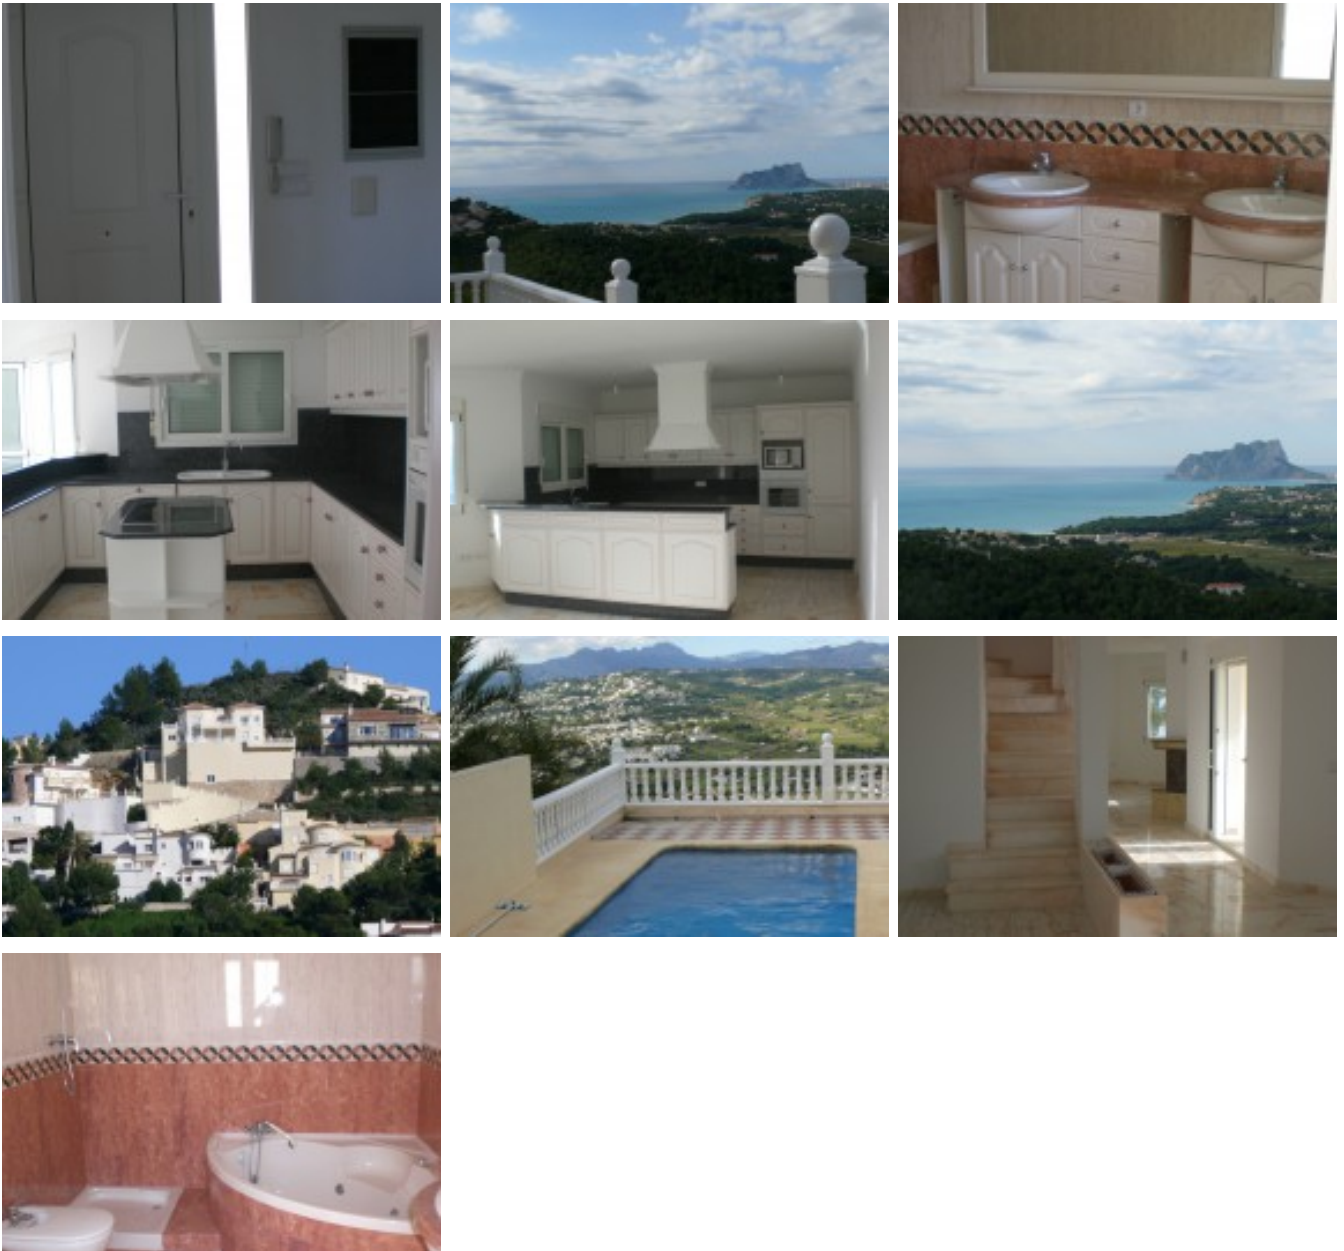

Outside there is a nice pool with a shower and a barbeque zone with terraces surrounding the pool which have spectacular views of the sea. The house has two ways of accessing it, one of them is private.
